" Our heartfelt thanks for all your good wishes and especially for the very generous gift that the circuit gave. We have not decided yet as to what to treat ourselves to with the gift but we have a list. We wish the circuit our best wishes for the future."

It was a year ago this week that Elizabeth was admitted finally to York General Hospital with a ruptured appendix.

As complications set in, Peritonitis and septicaemia, we became seriously concerned for her life. Elizabeth underwent 3 operations in two weeks and spent 4 days in The Intensive Care Unit.

Elizabeth spent over 2 months in York General Hospital recovering and was released in December 2009 to come home.

Elizabeth, Kate, Michael and myself would very much like to thank each and every one of you for your Prayers and support over the year.

We have no doubt that your Prayers helped to bring Elizabeth back home to us and that your support kept us as a family going until she did come home. Thank you all so very much.

Bob, Kate, Michael and Elizabeth.
